

Actuarial & Consultants

(Senior) Manager – Corporate Finance

KENYA OFFICE

QED is a dynamic and leading actuarial consulting firm in the financial services industry. Within our expanding operations is a strong IFRS 17 team who have assisted numerous clients in Africa and beyond, offering a range of solutions tailored to their IFRS 9/17 journeys.

We are seeking a highly skilled Financial Accountant to join our team as a (Senior) Manager - Corporate Finance. The role will be pivotal in supporting our clients with IFRS 17 implementation and reporting through the preparation of annual financial statements, IFRS 17 reporting packs and other technical support. This exciting opportunity offers exposure to multi-disciplinary teams, growth potential in corporate finance and an opportunity to work on diverse projects within the financial services and insurance industries.

QED is an equal opportunity employer.

If you have yet to be contacted within two weeks of completing the application process, please consider your application unsuccessful.

Responsibilities:

- Support clients across Africa with their IFRS reporting requirements with focus on IFRS 9/17.
- Draft IFRS compliant Annual Financial Statements.
- Assist clients in drafting IFRS 9/17 disclosure notes.
- Expert accredited in Moody's RiskIntegrity™ for IFRS17.
- Proficient in navigating various ERP systems.
- Interpret and prepare insurance data for clients.
- Prepare monthly management reporting packs for clients.
- Assist clients in determining the appropriate level of aggregation for the general ledger and disclosure.
- Interact and communicate with clients and their auditors.
- Collaborate with other IFRS 17 specialists, including those in IT and Actuarial functions.
- Design and test systems, processes and controls.
- Perform reconciliations and other validations.
- Prepare memoranda for the accounting treatment of various transactions, balances and processes.
- Following the implementation of IFRS 17 for all clients, the position has the potential to shift its focus towards Corporate Finance services. This includes involvement in governance, assurance, financial due diligence, mergers and acquisitions and related responsibilities.
- Occasional travel to clients located outside of Kenya.

Requirements:

- 4 – 7 years' experience in the Assurance and/or Financial Services Industry.
- A recognised professional finance qualification e.g. ACA, FCA, CA, CPA or equivalent.
- Proficient in financial statement drafting in Excel (non-negotiable) and advantageous if experienced in Caseware and similar tools.
- Strong knowledge of and experience with IFRS 9, 17 and 4.
- RiskIntegrity™ IFRS 17 software experience or experience working with any similar reporting software (preferable).
- Excel proficiency - intermediate to advanced level (pivots, spreadsheets, formulae, financial modelling and analysis).
- Demonstrated proficiency in drafting annual and interim financial statements.
- Excellent communication and relationship management skills.
- Analytical and critical thinking skills with a proven ability to solve problems.
- Capable of clearly articulating identified issues and proposing solutions.
- Strong organisational skills with attention to detail and the ability to multitask and manage priorities.
- Capable of working independently and taking ownership of assigned tasks.
- Flexibility to adapt to ever-changing client environments.
- Strong commitment to deadlines.

OUR PURPOSE

To solve problems.

We are passionate about solving complex strategic and technical problems based on our training, experience and research.

To empower people.

We are committed to empowering our staff and clients so that they can be successful and attain their full potential.

To make a difference.

We aspire to make a positive difference in the world through growing our staff and clients and directly through various initiatives.
